L'arte di illuminare.

Petra Lux

*Petra Lux nasce alle pendici del Grappa.
E' un' azienda giovane ma con un' esperienza
trentennale nel campo dell' illuminazione.*

*Forme armoniose che, secondo una rigorosa tradizione
artigianale, uniscono la ceramica al ferro con rifiniture
in cromo, nichel spazzolato, ottone brunito,
anticate argento, oro e rame a seconda delle
esigenze, ulteriormente impreziosite con caratteristici decori
a mano di inconfondibile bellezza.*

*L' accurata scelta dei materiali e componenti fa' si che
diventino dei veri e propri oggetti d' arredamento
oltre che d' illuminazione.*

*A questa maestria si aggiunge il gusto per il moderno,
il fascino del gioco luce-vetro satinato perfetto
sodalizio vincente che sa armonizzare
i contesti di arredamento piu' vari.*
